Hi! My name is Danielle Burkhead and this is my second year at CRCDS. My husband and I both grew up here in Plano. We have a 4 year old boy and a 6 year old boy who also attended CRCDS. I attended Texas A&M University and graduated with a degree in Communications.

My family and I have a dog named Sadie and we love sports, traveling, going on outside adventures, and spending time together. We go to church at Citizens Church in Plano and I've been a Christian since I was very young. I'm so blessed to work here and I look forward to this year!
