

Meet the Teacher

Mary Elise Johnston

About Me:

My name is Mrs. Johnston and I'm thrilled over teaching the 3's on Tuesdays and Thursdays this year! There is so much growth and development that happens at this age. When I'm not teaching, I enjoy reading, eating, working out, and being with my husband and two daughters.

Originally from Mississippi, we have lived in Plano for 19 years now. Thank you for letting me be a part of this stage in your child's life. I'm looking forward to a wonderful year!
