

Meet the Teacher

Suzy Stutsman**About Me:**

I was born and raised a native Texan in South Dallas, graduating from DeSoto High School. I am also a proud Texas Aggie graduate as well!

I have taught preschool for more than a few years and have been in the 3's, 4's and STEAM classrooms.

I live in Allen with my husband, Aaron, and my three kids and three dogs. My oldest daughter is a senior at Oklahoma State. My 18 year old daughter is a senior at Allen High School and my 14 year old son is a freshman in Allen.

In my down time, I like to hang out with my family, go to the lake, snow ski and watch the Food Network...and shop!

I am so happy to be at Custer Road and blessed to be able to teach your kids about God!
