Alejandra Velez

About Me:

I am Miss Velez and I am so excited to be at Custer Road Christian Day School teaching kindergarten! This will be my second year here. I graduated from TWU in 2021 with a Bachelors in Education. I LOVE spending my days with littles - pouring into them academically and spiritually! Outside of school I enjoy spending time with my family, exploring coffee shops, reading, and taking hikes. It is going to be a year filled with lots of learning and fun! Blessings- Proverbs 22:6
