

# Meet the Teacher

## Monica Wilkiewicz

### About Me:

Hello, I am Mrs. Monica. This is my 1st year teaching, and I couldn't be more excited. I have a BS in Accounting and worked in the corporate world for about 10 years when The Lord called me to be a mom to my 6 beautiful babies. Now that they are all at school The Lord was weighing on my heart that I should be in a classroom. I absolutely adore children and watching their personality and love of Christ unfold. In my spare time I enjoy volunteering at my children's school and hanging out with my husband and friends.
