Jeed Woranitath

About Me:

Hi! I'm Jeed, and I've been part of CRCDS for three years now. For the past two years, I worked exclusively with our two-year-old little friends, but this year is special because I also get to work with the four-year-olds. Both age groups bring me so much joy in unique ways, and I love every moment with them.

In my free time, I enjoy being with my family of five—my husband, our daughter, and our two cats. We love going outdoors, discovering new places to enjoy delicious food, practicing yoga, and going for walks. That's a bit about me!
